**2025**

I know you wipe some away  
But these handprints were made to stay.  
So keep them forever,  
a treasure they'll be.  
A special "I Love You," for you from me.

# **The Hands of a Child**

by Amy Ethridge

When you look at the hand what do you see? There  
are just some lines most would agree.

But take a closer look this very minute  
And notice the treasures that are found within it.

The hand can be so many things,  
From tulips to beautiful butterfly wings.

A Santa, an apple, even a heart,  
A pumpkin, an umbrella, that's only a start.  
The hand can be snowflakes that fall from the sky.  
The hand can be a leprechaun trying to hide. It  
can be the sunshine to brighten the day.

It can be a fish swimming away.  
It can be a turkey strutting along,  
Whatever you make it, you can't go wrong.

Just take a little time to look and  
see, where these hands came from,

And you'll surely agree  
Your child, the artist, reaching his goal,  
Created this for you with body and soul.

Keep it and use it till the time has passed.  
Then put it away so the memories will last.

# Snowflakes

Snowflakes  
white are  
dancing down.  
Dancing,  
dancing all  
around.

Each one is  
different, it's  
surely true.  
Here's one I  
made from me  
for you!

The Apple Tree  
 Away up high in

 I could and  
 down came the  
 apples,  
 mmmm, were  
 they good!
